**PART I: LISTENING (10 Points)**

**Listening - Note Taking**

**A. Instruction: Choose the correct answers based on your notes from the listening. (10x1=10pts.)**

1. When did the engineers start working on ENIAC?

- A) At the beginning of World War II
- B) At the beginning of World War I
- C) In the middle of World War II
- D) In the middle of World War I

2. Why did the army want to build an electronic computer?

- A) Soldiers couldn't do the calculations faster.
- B) Scientific projects of the army were slow.
- C) Women, the computers, did the calculations carelessly.
- D) Women, the computers, were slow to calculate and made errors.

3. Who was John Mauchly?

- A) Psychologist
- B) Computer engineer
- C) Physicist
- D) Electrical engineer

4. Why was John Mauchly interested in building a new type of computer at first?

- A) He wanted to guess weather conditions.
- B) He joined the project in the army.
- C) He was studying electrical engineering.
- D) He loved to design complex electronic devices.

5. What was the size of ENIAC?

- A) 180 square-feet
- B) 18.000 square-feet
- C) 1.800 square-feet
- D) 180.000-square-feet

6. How many calculations could ENIAC do per second?

- A) 500
- B) 5500
- C) 550
- D) 5000

7. Which is **NOT** true about ENIAC?

- A) It took 2 years to build ENIAC.
- B) ENIAC was finished in 1945.
- C) They started to build ENIAC in 1943.
- D) ENIAC was shown to the public in 1945.

8. What did the newspapers and magazines call ENIAC?

- A) Electronic Brain
- B) Electrical Brain
- C) Engineers' Brain
- D) Eccentric Brain

9. Which is **NOT** true for Eckert and Mauchly?

- A) They built two new types of computers.
- B) They earned a lot of money after the ENIAC project.
- C) They started their own companies.
- D) They kept working with computers as their careers.

10. What is the **MAIN IDEA** in the lecture?

- A) Eckert and Mauchly were the first designers of a computer.
- B) ENIAC was designed to calculate.
- C) ENIAC was the first electronic computer that made calculations easier.

D) ENIAC was an important invention for Eckert and Mauchly during their careers.

**PART II. READING (16 Points)**

**Reading 1: “The Capital of Cool”**

**A. Instructions: Read the text in the appendix and choose the correct answer. (4x1=4pts.)**

11. Using public transportation is the best idea in Amsterdam.

- A) True                                      B) False

- A) Patients’ not considering medical tourism in the past  
B) Inexpensive travel and healthcare expenses for other countries  
C) Higher costs in people’s native countries  
D) Long waiting lists in people’s own countries

25. Maria Paphitis went to Greece for medical reasons because she \_\_\_\_\_.

- A) was a Canadian citizen in the UK                      B) could not afford it in her country  
C) had to pay €100 in London                      D) had to wait for weeks to see a specialist

26. What is the reason for the writer to write such a text?

- A) To talk about the problems Maria Paphitis had  
B) To tell the reasons why medical tourism became popular  
C) To make medical tourism more popular  
D) To tell the reasons why people choose Poland, India and Greece for medical tourism

**PART III: USE OF ENGLISH (14 Points)**

**A. Instructions: Choose the correct answer (6x1=6 pts.)**

27. That man \_\_\_\_\_ a thief, so I suggest you watch him carefully.

- A) must be                      B) should be                      C) may be                      D) would be

28. I would never \_\_\_\_\_ if I hadn’t had my family’s help.

- A) be won                      B) won                      C) win                      D) have won

29. Mrs Hayes reprimanded her son for behaving \_\_\_\_\_.

- A) badly                      B) well                      C) bad                      D) good

30. The traffic \_\_\_\_\_ us for over an hour.

- A) has been delayed                      B) delayed                      C) was delayed                      D) has delay

31. By 2020, I \_\_\_\_\_ all my studies, I hope.

- A) ‘ve finished                      B) ‘m finishing                      C) ‘ll be finishing                      D) ‘ll have finished

32. Everyone \_\_\_\_\_ by the time we got to the restaurant.

- A) was already eaten                      B) already ate                      C) had already eaten                      D) has already been eating

**B. Instruction: Fill in the gaps in the text with the correct option. (8x1=8 pts.)**

***Reclaimed from the Sea***

A recent story that (33) \_\_\_\_\_ front-page news in the UK is the plan to flood land on the east coast of England. Following discussion with local people, The Royal Society for the Protection of Birds (RSPB) has announced that it (34) \_\_\_\_\_ to buy a large area of farmland and turn it into a wildlife reserve. The flat land has been farmed ever since the Dutch managed (35) \_\_\_\_\_ a wall around it 500 years ago, creating a single island where previously there (36) \_\_\_\_\_ five. Now the plan is to make gaps in this wall, letting the sea come back in to cover the land to a depth of 50 centimetres. This, according to the RSPB, will lead to the return of many kinds of birds, fish, wild plants and animals that (37) \_\_\_\_\_ there before it dried out. The project also aims to protect the English coast from the effects of climate change, in regards to flooding, as sea level (38) \_\_\_\_\_ to rise. The RSPB hopes to raise public awareness of this problem by (39) \_\_\_\_\_ people to visit the area when the work (40) \_\_\_\_\_.

33. A) had made                      B) has made                      C) made                      D) would make  
 34. A) was intended                      B) had intended                      C) intended                      D) intends  
 35. A) to build                      B) building                      C) build                      D) built  
 36. A) have been                      B) were been                      C) had been                      D) was  
 37. A) used to live                      B) live                      C) have lived                      D) were lived  
 38. A) continued                      B) continues                      C) would continue                      D) has continued  
 39. A) encouraged                      B) to encourage                      C) encourage                      D) encouraging  
 40. A) has completed                      B) will complete                      C) has been completed                      D) will be completed

**PART IV: VOCABULARY (10 Points)**

**A. Instructions: Complete the text with the correct words. (5x1=5 pts.)**

***Story of Janet***

The upsetting event, which is a moment Miller family can never forget, occurred several days ago in a very prestigious company. As a successful lawyer, Janet, had a lot of (41) \_\_\_\_\_ and awards before she went into the jail. Whereas her successes were published on newspapers in the past years, this week people learnt about the crime she committed on the news. The police report demonstrates that she killed someone. It wasn't difficult for witnesses to (42) \_\_\_\_\_ Janet among other people because her guilt was clear on her face. From the beginning her family thought that she was not conscious at the time of her action. They believed she didn't do anything on purpose. However, suddenly she told all the truth to everyone around her. Her sudden confession changed her family's (43) \_\_\_\_\_ into misery. They lost all their faith. The woman that Janet killed turned out to be the new manager who the company hired. The reason making her a murderer was more shocking for her family. As it is seen in the police report, Janet became suspicious of the woman and her husband, John, and thought they had a secret relationship. Unfortunately, even though he tried really hard, John couldn't (44) \_\_\_\_\_ Janet that he never cheated on her. She will be in prison so long that people will be able to barely recognize her when she goes out (45) \_\_\_\_\_.

41. A) definitions                      B) accomplishments                      C) obstacles                      D) limitations  
 42. A) maintain                      B) adapt                      C) recognize                      D) appear  
 43. A) accuracy                      B) benefits                      C) campaigns                      D) hopes  
 44. A) believe                      B) persuade                      C) support                      D) decrease  
 45. A) typically                      B) accidentally                      C) considerably                      D) eventually

**B. Instructions: Choose the correct answer to complete the sentences. (5x1=5 pts.)**

46. In order to make final decisions, people also need to trust their natural \_\_\_\_\_.  
 A) weaknesses                      B) portions                      C) brands                      D) instincts
